ISSUE DATE:

The technical drawing shows a rectangular component with several features and dimensions:

- Width: 0.720
- Height: 0.21
- Top edge thickness: 0.09
- Bottom edge thickness: 0.06
- Left side thickness: 0.10
- Right side thickness: 0.05
- Bottom right corner radius: 0.05
- Bottom left corner radius: 0.06
- Top center hole diameter: 0.05
- Top center hole depth: 0.05
- Top center hole distance from bottom: 0.10
- Top center hole distance from left: 0.10
- Top center hole distance from right: 0.10
- Top center hole distance from bottom-left corner: 0.10
- Top center hole distance from bottom-right corner: 0.10
- Top center hole distance from top-left corner: 0.10
- Top center hole distance from top-right corner: 0.10
- Bottom center hole diameter: 0.05
- Bottom center hole depth: 0.05
- Bottom center hole distance from bottom: 0.10
- Bottom center hole distance from left: 0.10
- Bottom center hole distance from right: 0.10
- Bottom center hole distance from bottom-left corner: 0.10
- Bottom center hole distance from bottom-right corner: 0.10
- Bottom center hole distance from top-left corner: 0.10
- Bottom center hole distance from top-right corner: 0.10

A red handwritten note at the bottom right of the drawing area reads "7.720".
